"THE VOICE OF BUSINESS"

## Annual "Ask the Schools" Breakfast

The O'Fallon—Shiloh Chamber of Commerce Annual "Ask the Schools" Breakfast was held October 13th at the Public Safety Building. Moderator John Coers of the Chamber of Commerce Education Committee introduced several O'Fallon-Shiloh private and public area school superintendents. Each spoke briefly on how they're preparing students for OUR future and how trends in education affect and impact the business community. They were also on hand to answer questions about "what's going on in their schools." Thank you to Jackye Biehl, Grace Schooley, Dr. Todd Koehl, Pat Anderson, Jennifer Filyaw, and Dr. Darcy Benway for their participation. A special thank you to Espresso on Demand for providing coffee, tea, and cocoa. See more photos on page 2.

# INSIDE TRACK

The O'Fallon-Shiloh Chamber of Commerce is forming a number of small interest groups. The first group to be formed is one dealing with Scott AFB Interaction. This group will meet quarterly, (sometime during the first month of each quarter), 8 - 9 a.m. (continental breakfast to be provided), at the Shiloh Senior Center.

Because this is a small group, we are limiting membership to 20-25 members. We're looking to see who is interested in being part of this group.

We're working with Scott AFB to provide speakers for this series of discussions. This will be in an informal setting with networking, discussion, question, and answer time.

The series includes: Public Affairs Overview, Contracting, Base Commercial Sponsorship Program, Airman & Family Readiness Center, Recruiting, and Military Affairs Committee. If, as the series progresses, the group decides an additional topic is needed, we'll work to have it included in the series.

Our first discussion in the series will kick off in January. More specifics to come.

If you're interested in being part of this small group, please let us know soonest.

Rick R. Parks joined TheBANK of Edwardsville as Senior Vice President of the Commercial Banking Group on Thursday, October 20. Parks, who has 25 years of banking and financial experience, will be responsible for the oversight of commercial banking in all of TheBANK of Edwardsville's markets.

**"I know the reputation TheBANK of Edwardsville has of offering the best banking services while being a great community citizen in all the areas it serves," said Parks.**

**"I'm excited to become a part of the 143-year legacy TheBANK has as the leading financial institution in the area."**

Parks most recently served as Regional President of Centru Bank in Fairview Heights, where he was responsible for overall strategic planning, management and sales production of the southern Illinois region for the past seven years. He began his professional career as a Commercial Loan Analyst at First Trust and Savings Bank in Kankakee in 1987 after earning a Bachelor of Science degree in Finance from Olivet Nazarene University. He earned an MBA from St. Louis University in 1992.

**"I've had the pleasure of knowing Rick for nearly 20 years. He will be a great fit here and a tremendous asset to TheBANK and its customers," said Thomas E. Holloway, President and CEO of TheBANK of Edwardsville.**

**"His professional experience and his personal commitment to community service are second to none, and we're**

**thrilled to welcome him to TheBANK of Edwardsville family."**

Parks currently volunteers or serves on the board of seven community organizations including: Good Shepherd Ministries in East St. Louis; Belleville Optimist Club; Leadership Council of Southwestern Illinois; Boy Scout Pack 49; O'Fallon-Shiloh Chamber of Commerce; First Church of the Nazarene; and the Metro-East Fellowship of Christian Athletes.

He is a past board member of the Masterworks Chorale, Big Brothers Big Sisters of Southwestern Illinois, The Boy Scouts of America and the YMCA of Southwestern Illinois as well as a past member of the O'Fallon Noon Rotary Club, Mascoutah Noon Lion's Club and Leadership Belleville.

Being actively involved in the community is important to Parks and one of the reasons he was drawn to TheBANK of Edwardsville. **"TheBANK's well-earned reputation of tireless community service is outstanding," he said. "I believe being part of a community is more than just living and working there. It's also doing your part to make your community a better place."**

Parks lives in O'Fallon, IL with his wife, Trisha. They have three children.

\*\*You may see a slight change in your member dues for 2012. The O'Fallon-Shiloh Chamber of Commerce hasn't made any significant changes to our dues schedule in over 5 years. The benefits you receive as a member have increased during this time, but we've not increased our dues. Most member categories will see an increase of \$5-\$10. We plan to continue to increase the benefits we provide you, as a member, and we believe we'll be able to do so with this very small increase.

Shirley Frost operates Adventures in Cuisine from her home and offers 3 hour cooking classes for 6-10 people. Shirley has pursued a life long passion for food, nutrition, innovative cooking and presentation and creating the ideal dining experience. Shirley taught courses in Oakton VA from 1994 until moving to O Fallon, IL in 1998. She has taught classes in her home since 1998 and is currently conducting 1 hour healthy cooking demonstrations at the YMCA in O'Fallon, IL Each class in her home focuses on a complete menu. The teaching part lasts about two hours. Then you make up your own plate, go into the dining room and enjoy a complete meal. Classes normally start at 10:00 A.M. and, by 11:00, hors d'oeuvres are provided for the students. You should be enjoying the entrée by noon. (See [webpages.charter.net/cuisinef/](http://webpages.charter.net/cuisinef/) for class descriptions and how to organize a class.)

All Grins 4 Kids provides a positive dental experience for children from birth to 18 years that will help children enjoy optimal dental health for a lifetime. Each child is recognized as a unique person with their own needs. All Grins 4 Kids encourages active participation in the visit by asking questions about school, hobbies, friends or anything special they would like to share. Before procedures are started, Dr. Drum and staff show and tell the child what they are going to do so that the child has an idea of what to expect during each appointment. They will answer the child's questions about their treatment to allay any anxieties or misconceptions he/she may have. This relaxed approach helps the child have a positive visit.

**All Grins 4 Kids' goal at each visit is to educate the patients and their caregivers about maintaining healthy mouths and teeth.**

Dr. Deryl Drum served as a pediatric dentist in the UASF, retiring in 1991. He has maintained a private practice since then, first in Swansea and moving to Shiloh in 2009.

Miche Bag of St. Louis Metro recently donated \$1,440 to Cancer Support Community of St. Louis, MO for their compassionate efforts to help cancer survivors and their families. This significant effort is the result of the entire team selling the various styles of Miche Hope shells to their customers and general public. The total amount was raised from our donation of \$5 for each of 288 Hope bags sold with the newest design. The check was presented on Monday, October 10, 2011, when the Cancer Support Community hosted their representative meeting at their Des Peres facility. In March 2011, our team donated \$1,920 from earlier Hope shell proceeds. This contribution culminates in a total of over \$10,090 donated to cancer research

and support efforts in the greater St. Louis area since the inception of the program in 2009. Their comment was, **“Once again, thank you to Joyce and Mike Cannon and the Miche representatives!”** Read the **“Hope Shells”** story on page 10.

## The "Hope" Shell Story

Submitted by Joyce Cannon

Miche Bag truly believes the possibilities are endless. They are so grateful for the tremendous growth they continue to experience and for the incredible individuals they associate with who represent their company so well each and every day.

Because of the many blessings they have received since the launch of Miche® Bag, they often found **themselves asking, "How can we give back?"**

Thanks to the numerous requests they have received over the years both from Distributors and customers, they were inspired to create Hope—the first Shell with a true cause—to aid in the fight against cancer. Cancer has an effect on every individual, in one way or another, and they believe that with the release of the series of Hope Shells and the important message they represent, that they have found a meaningful way give back to their Miche family members and their communities.

These are the Premium Shells simply called—Hope. When you first see them, you will notice the designs for the various Hope Shells focus on actual quotes collected from many individuals who have been through the fight against cancer. When you purchase one, you will see a tag attached to your Hope Shell containing a

picture and personalized quote from one of our new friends at the Huntsman Cancer Institute (HCI) research center. This facility has been a large part of the inspiration of Project Hope, due to its state-of-the-art approach to researching and helping individuals in their battle against cancer.

Project Hope is now in its second year; and Miche Bag is committed to continuing donating a portion of the proceeds from the sale of every Hope Shell to cancer research. The Miche Bag team is 100% committed to Project Hope. We invite you to join us in sharing the inspiring message Hope has to offer as we strive to give back and make a difference in the fight against cancer!

Over \$1,200,000 has been donated collectively nationwide

since January 2010 from the efforts of Miche Bag distributors and their corporate offices.

Locally at Miche Bag of St Louis Metro we donate \$5 for every Hope shell sold. In just two years our company has donated over \$8000 to local agencies such as the Cancer Support Community, Gateway to Hope, Relay For Life and Siteman. With these combined efforts approximately \$10 for EVERY shell sold goes to cancer patients and research!

**The City of O'Fallon will hold a Veteran's Day** observance on Friday, November 11th at the Veterans' Monument, 737 East Wesley Drive, O'Fallon at 11 a.m. The guest speaker will be Reverend Jack Swank USMC.
