Welcome to O'Fallon,

As a community of approximately 27,000 people, O'Fallon boasts small-town friendliness while being easily accessible to the many cultural activities and sports attractions of St. Louis; along with the nightlife only a large metropolitan area can offer. We are proud of our neighbor, Scott Air Force Base, the area's largest employer with 5,700 civilian and over 7,800 military employees many of O'Fallon whom call O'Fallon home.

Some of O'Fallon's recent developments include a beautiful public library, a large post office, a new sports park, the building of a city hall in the downtown area, a new public safety building, a new fire station and the expansion of O'Fallon High School as well as a new junior High School and a new Middle School. Also in progress is a new Freshman Campus for high school students.

Enclosed, you will find information on O'Fallon. For additional information about the area, please visit our office at 116 E. First Street, Monday through Friday from 9 a.m. to noon and 1 - 4 p.m., or call (618) 632-3377. Please check our website for other information and a business directory of O'Fallon Chamber members at www.ofallonchamber.com.

Sincerely,

A handwritten signature in cursive that reads "Ken Diel".

President
O'Fallon Chamber of Commerce

O'Fallon Yesterday and Today

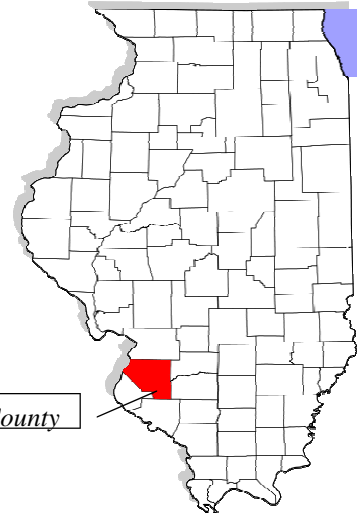

O'Fallon was named after Colonel John J. O'Fallon, a prominent businessman and philanthropist who came to St. Louis after the War of 1812. Colonel O'Fallon served as assistant to his uncle, William Clark, of Lewis and Clark Expedition fame. Subsequently, he became president of the Ohio and Mississippi Railroad (now a part of the Chessie System), and the first station out of St. Louis was named the O'Fallon Station – setting the stage for O'Fallon's easy access. Future years would bring Interstate 64 with three exits, which means an easy 10 minute drive to Mid America Airport and 40 minutes to Lambert International Airport in St. Louis plus easy access to rail lines and barges on the Mississippi River.

O'Fallon lies immediately northwest of Scott Air Force Base. It is a favorite place for base personnel to live and retire.

The City of O'Fallon is located in the western portion of Southwestern Illinois, 15 minutes from St. Louis, Missouri. The City is comprised of 14 square miles.

O'Fallon is the fastest growing city in **St. Clair County**, and is the newest technology growth corridor in the St. Louis Metropolitan Area. O'Fallon's rich history of trade and industry and its solid foundation for continued growth and prosperity make it one of the area's most popular communities in which to live and work.

If you would like more information on St. Clair County please check their website at www.stclaircounty.org.
