Get Connected

Our Chamber offers a variety of opportunities to engage with fellow members, share your business, and expand your network. Here are some tips to make the most of your involvement:

- **Invite Guests:** Many of our events are open to potential members and your employees. Feel free to bring them along to experience the Chamber's community firsthand. Just remember to RSVP for your guests as you would for yourself.
- **Cancellation Policy:** If you've RSVP'd for an event with a meal but find you can't attend, please let us know as soon as possible. If the Chamber has to cover your meal cost, you'll receive an invoice for the expense.
- **Networking Essentials:** Bring plenty of business cards to each event. We also feature a member business card wall at the Chamber office, so be sure to leave a stack of cards with us for added visibility.
- **Name Tags:** Wearing a name tag with your company's logo helps others remember who you are and where you're from—an easy way to make a lasting impression!
- **Membership Plaque & Window Cling:** Promote your Chamber membership proudly! With 63% of consumers preferring to buy from a Chamber member, display your membership plaque and window cling to show your support and credibility.

Each event and connection is an opportunity to showcase your business and become part of our thriving community.
