In 300 words or less, please tell us other information you'd like the public to know about you. This is not required, but you may want to address: 1. The most significant challenges facing the office you're seeking and what you'd do to overcome them. 2. What single change you'd make in your area of responsibility. 3. Why you feel you're more qualified than your opponent(s)

I'm running for mayor because I care deeply about the future of Shiloh. Having lived here my entire life, I've seen the challenges we face, but I've also seen the incredible potential in our community.

I believe that our Village should be a place where everyone can succeed, feel safe, and be heard.

As your mayor, I promise to be transparent, engaged, and dedicated to making Shiloh a place where all of us can thrive together. I'm excited about the future, and I hope to earn the chance to serve the Village in a greater capacity.
