Be an Active Chamber Member

Becoming a member and getting involved in the O'Fallon-Shiloh Chamber of Commerce may be one of the best moves you can make for your business! Does that sound like an overstatement? Your involvement in your Chamber may be vital to your success as a business. Joining the chamber and getting involved offers many benefits, many of which you may not be aware of:

Business-to-Business Referrals – People like to do business with people they know and can trust. When you attend Chamber events, you will get to know a variety of people. When you need a service, use one of your chamber colleague's services and chances are, they won't forget you! If they don't personally need your services, they may refer you to their business associates, friends, family and acquaintances. Every month the Chamber hosts many opportunities to network with other members. The Chamber serves the function of offering business referrals to people in the community.

Learning Opportunities – At many of our meetings, there is a wealth of information that can be learned about business, managing people, professional development and happenings in our community. The charge for these meetings is nominal and is often free.

Volunteer Opportunities – The Chamber works to make our community a better place to live and to do business so that economic growth and stability takes place, which positively affects the entire community for the better. There are many opportunities within the Chamber to serve on various committees or volunteer at events.

We have various committees who are responsible for the vast majority of events and benefits we provide. Not everyone can serve on a committee, but membership on a committee does give the opportunity to provide input on the issues impacting the business community and the Chamber as well as visibility for your business. Our committees meet on a set schedule. Call the Chamber office if you're interested in serving on a committee.

- **Ambassadors** serve as "goodwill messengers" for the Chamber, welcoming new members and assisting with most Chamber events. We are limited to 20 Ambassadors.
- **Golf** plans and conducts the annual golf outing for Chamber members and their guests.
- **Education** facilitates communication between the private and public school systems and encourages discussion between the school systems and the O'Fallon business community. LEADERSHIP INSTITUTE

O'FALLON • SHILOH
CHAMBER of COMMERCE

Did you know the Chamber offers a Leadership Institute program for young professionals?

The class is open to Emerging leaders between ages 21-40 who live or work in O'Fallon or Shiloh with demonstrated community involvement or aspirations to become more involved.

Lead In is designed to introduce you to people you might not otherwise meet and provide you education you might not otherwise receive about our community.

We've had a wide range of students complete the program and we encourage you to think "outside the box" when considering colleagues and employees you might refer to apply!

Participants must be willing to commit the necessary time to fully participate in the program. The class tuition is \$349, payable prior to the first meeting. Lead In meets one afternoon each month from February to October. Applications are accepted year round with selections being made in early January. You can learn more about the program and apply online on the Chamber Website: ofallonchamber.com/leadin/.

Ribbon Cuttings and/or Groundbreakings

Ribbon Cuttings and/or Groundbreaking

We are happy to celebrate the opening of a new business with a ribbon cutting ceremony. You do have to be a member of our Chamber for us to help you with a ribbon cutting. If you've just opened, changed ownership, under new management, anniversary, or have moved or remodeled or expanded your business, please give us a call to schedule a ribbon cutting. You should keep the following in mind: Ribbon cuttings are usually held Tues - Thurs | Lunch is the best time | Give a tour of your business | Light refreshments are always nice | Give a short speech | Provide a press release to the chamber. We prepare a promotional video highlighting your business.

The Chamber will send your press release and photo to the media. It will also be advertised on our website. The Chamber will bring the oversized scissors, ribbon, and Chamber Ambassadors.
